

Floating Input

Contoh Penggunaan Pada Input

```
<input class="input-group__input" name="No. Rujukan" id="txtNoRujukan" type="text"
placeholder="&nbsp;"/>
```

```
<label class="input-group__label" for="No. Rujukan">No. Rujukan</label>
```

Contoh Penggunaan Pada Dropdown

```
<select class="input-group__select ui search dropdown JenTransaksi" name="ddlJenTransaksi"
id="ddlJenTransaksi"></select>
```

```
<label class="input-group__label" for="ddlJenTransaksi">Jenis Transaksi</label>
```

```
/*input CSS */
```

```
.input-group {  
    margin-bottom: 20px;  
    position: relative;  
}
```

```
.input-group__label {  
    display: block;  
    position: absolute;  
    top: 0;  
    line-height: 40px;  
    color: #aaa;  
    left: 5px;  
    padding: 0 5px;  
    transition: line-height 200ms ease-in-out, font-size 200ms ease-in-out, top 200ms ease-in-out;  
    pointer-events: none;  
}
```

```
.input-group__input {  
    width: 100%;  
    height: 40px;  
    border: 1px solid #dddddd;  
    border-radius: 5px;  
    padding: 0 10px;  
}
```

```
.input-group__input:not(:-moz-placeholder-shown) + label {  
    background-color: white;  
    line-height: 10px;
```

```
    opacity: 1;
    font-size: 10px;
    top: -5px;
}
```

```
.input-group__input:not(:-ms-input-placeholder) + label {
    background-color: white;
    line-height: 10px;
    opacity: 1;
    font-size: 10px;
    top: -5px;
}
```

```
.input-group__input:not(:placeholder-shown) + label, .input-group__input:focus + label {
    background-color: white;
    line-height: 10px;
    opacity: 1;
    font-size: 10px;
    top: -5px;
}
```

```
.input-group__input:focus {
    outline: none;
    border: 1px solid #01080D;
}
```

```
.input-group__input:focus + label {
    color: #01080D;
}
```

```
.input-group__select + label {  
    background-color: white;  
    line-height: 10px;  
    opacity: 1;  
    font-size: 10px;  
    top: -5px;  
}  
  
.input-group__select:focus + label {  
    color: #01080D;  
}  
  
/* Styles for the focused dropdown */  
.input-group__select:focus {  
    outline: none;  
    border: 1px solid #01080D;  
}  
  
.input-group__label-floated {  
    /* Apply styles for the floating label */  
    /* For example: */  
    top: -5px;  
    font-size: 10px;  
    line-height: 10px;  
    color: #01080D;  
    opacity: 1;  
}
```
